Wow! Gather the whole clan here in this expansive 2 bedroom plus loft condo and enjoy dynamite views of the Breckenridge Ski Area and north to Peaks 1 & 2 of the Ten Mile Range from your top floor location. At 1500 sq. ft. on three levels there is room to spread out and relax. Two large bedrooms on the lower level have great views. The main level has soaring ceilings and a wall of glass to take in the views. Woodburning fireplaces in the living room and primary bedroom provide that Colorado glow in winter. A short walk to the Quicksilver Chairlift can start the day or the free bus system is right around the corner to drop you at the lifts and back home at the end of the day. Then hit the hot tubs and when it's time for dinner stroll two blocks to Main Street. Located in Zone 1 for short term rental license.
