WOODMOOR AT BRECKENRIDGE SUB,
Breckenridge, CO

Stunning mountain log home on a quiet residential â€”no through roadâ€™™. Home enjoys panoramic views of the ski hill and 10 Mile Range from almost every window as well as from the spacious, sunny West and South facing decks. Four bedrooms, three bathrooms and three living spaces across three levels provides open floor plans but not at the expense of the cozy log home feel. This duplex truly lives like a single family home with the only common wall being in the detached garage.

Minutes walk to Baldy Trail head and the free shuttle giving access to downtown and the ski area. This home is extremely well maintained with recently stained, chinked and treated logs, serviced boiler, interior and exterior log railings rebuilt to current code, recently replaced LVP and carpets, soft furnishings to Great Room and many new stainless steel appliances - \$150k
