This re-imagined "cabin in the woods" is a mix of old-world charm and mountain modern! Incredible craftsmanship in the newer addition consisting of a large primary bedroom with an en suite, fabulous bathroom including a fireplace - after a full day of hard skiing, soak in the deep tub with a glass of wine, gaze out of the window and enjoy the warmth and atmosphere of the fire! If you'd rather indulge outside, there is a fabulous hot tub so bring the wine and relax! A custom, hand-made wooden staircase leads to the lower level with a gorgeous bar, another fireplace, large living room with French doors that open up to the most wonderful outdoor area, nestled in the trees.
