MLS® #S1053708

\$795,000

5 Bedroom, 4.00 Bathroom, 4,257 sqft

Residential on 0.20 Acres

OTHER, Other, CO

This large home has plenty of space for everyone. Upon entering you are greeted with an intimate living room with a cozy fireplace and ample seating for you and your guests or just separate living spaces. The spacious great room consisting of the kitchen, dining, and family room will be a popular gathering place during parties or for everyday living. The kitchen has granite counters, an abundance of cabinets, a double oven, and again plenty of space. The upstairs has a master suite with two separate vanities and two separate closets. This home is one of the few homes in The Broadlands with an additional en-suite bedroom. The well-cared-for landscaping has been professionally maintained year after year. The backyard has a retractable awning to enjoy during the heat of the day and a firepit to stay warm in the evening or on chilly winter days. The location could not be better. Far enough from the busy traffic and bus stops but close enough to be within walking distance. The Broadlands Golf Course is nearby to hit the ball around but not close enough to get hit with a ball. Arguably, the best location in the subdivision as it is quiet, convenient, and a great place to raise a family. This sought-after neighborhood is close to the popular Coyote Ridge Elementary School, open spaces with trails, a community pool, and a clubhouse. And there is more...the two furnaces and 2 air conditioners were replaced in 2022 and the water heater was replaced in 2021.
