1 Bedroom, 2.00 Bathroom, 809 sqft

Residential on 0.68 Acres

MOUNTAIN PLAZA CONDO, Copper Mountain, CO

Fantastic home, even better location! This beautiful one bedroom TWO bathroom home has been recently remodeled with newer appliances, luxury vinyl flooring, and granite counters throughout, along with a new owner's closet that's accessible from the hallway outside the home. Easily grab your ski gear, even when home is rented out! Relax in front of the cozy wood-burning fireplace, or take in the sweeping views of West lake from the huge windows in the expanded living room. This home feels even larger than its 809 SF due to vaulted ceilings. Located right at the base of the American Eagle lift, come see why Mountain Plaza is one of Copper's most desirable buildings. Shopping, dining, and coffee shop located on the first floor just down the hall from the ski lockers, and all that Copper has to offer just outside the front door. Building amenities include hot tub, WiFi, heated parking, ski/bike storage, and all utilities with the exception of electricity. This "turnkey" property has a great rental history, or would be a terrific second home as well.

Built in 1980
