LODGE AT STEAMBOAT CONDO,
Steamboat Springs, CO

All you need are your toys and clothes to immediately feel at home in this 2 bedroom fully furnished and turnkey Lodge condo. Not only can you walk to ski, but Wild Plum Market and Apres Ski Bistro are just steps from the condo for easy access to beverages and food. No renovations needed, as this condo has been beautifully updated including solid granite counters, new cabinets, hardwood flooring in the kitchen, dining, and living room, new lighting, and custom tile in the showers and floors in the bathrooms. The mountain rustic vibe gives it the authentic Steamboat feel featuring weathered corrugated steel wainscot in the entry and along the kitchen bar seating, slate tile floors in the entry and kitchen, a barn door in the primary bedroom creating privacy for the bathroom, sandblasted beams and wood ceiling in the great room, and a cozy gas log fireplace for chilly evenings. What really sets this condo apart from the other Lodge condos is the removal of the post/storage closet at the entry to the kitchen. It opens up the whole room, and due to the addition of an extra pantry closet with pullout drawers, you actually gain storage space! The location of this condo is perfectly situated for quick access to the slopes - just walk across the parking lot and Apres Ski Way and take the path to the gondola - you're there in 5 minutes! The shuttle is also an option, making it easier with little ones with skis, poles, etc. No need to haul your skis/boards

up stairs, as this is located on the ground level around the corner from the pool and hot tub, so your personal ski locker is right outside your door. If you're looking to supplement carrying costs, the amenities at the Lodge, including the club house, outdoor pool and hot tubs, and tennis court, are a magnet for short term renters. Personal storage lockers that can fit bikes and other toys are currently under construction. Check out the ultimate ski condo!
