4 Bedroom, 4.00 Bathroom, 3,009 sqft

Residential on 6.27 Acres

STEAMBOAT PINES SUBD, Steamboat Springs, CO

Set on 6.27 private acres in the sought-after Steamboat Pines subdivision, this 4-bedroom (3 + loft) mountain modern home blends timeless log craftsmanship with refined contemporary finishes—just minutes from downtown Steamboat Springs and the ski resort. Designed by Montana Log Homes using hand-selected cedar logs from Idaho, the residence features an open floor plan with vaulted ceilings and panoramic views of south valley and the Steamboat Ski Resort. The home features two spacious primary suites—one conveniently located on the main level with no steps, and another on the lower level—both with ensuite bathrooms and custom walk-in closets. The home was fully styled in 2023 by Stel House + Home, a Steamboat-based, award-winning interior design and architecture firm. Custom lighting and thoughtful design touches throughout bring a fresh, modern aesthetic to the warm log interior. The kitchen features high-end Thermador appliances, including a commercial grade gas range with double ovens. Additional highlights include a Savant whole-home sound system with outdoor speakers, radiant in-floor heat, wood-burning fireplace, and interior stone clad walls. The home has been meticulously maintained with recent updates including log staining, sealing, and re-chinking, deck and railing re-staining, and fire mitigation work completed around the home. The acreage features a mix of aspen and

evergreen trees, and in the spring and early summer a seasonal creek running through the property is audible from the exterior living spaces. There is ample space to create your own self-contained trail system. Offering privacy, natural beauty, and proximity to world-class recreation, this turnkey mountain retreat is a unique opportunity to enjoy the Steamboat lifestyle with space to grow and room to breathe.
