MOUNTAIN VISTA TOWNHOMES,
Steamboat Springs, CO

If you are looking for the best unit in Mountain Vista Townhomes, then look no further! Rarely does a 3BD/2BA unit with an oversized TWO-CAR garage come on the market! This end-unit is one of a limited number that has the added loft space- great for an office. There have been numerous interior improvements including a complete kitchen remodel that showcases white cabinetry with quartz countertops, stone backsplash and stainless steel appliances. Both bathrooms received updates of soft-closing cabinetry and granite countertops. Owners will appreciate the efficiency of the Renewal by Andersen sliding glass doors and windows that were installed on the main floor in recent years and the 2024 roof replacement on the entire duplex. The large covered front deck features views to the southwest with sunshades. A landscaped backyard has a covered patio that has power for a hot tub.
